ITALY IT'S NOT FOR ALL

By Davide Lupi

It's not just about staying in amazing, historical rooms. All my hotels and accommodations are selected to let you become a member of the family that runs the hotel. You will be able to enter the kitchen and talk to the chef, taste the wine directly in the ancient cellars with the owner of the house and have a chat in the garden with Giovanna, his wife, while the children play around with happiness. At the end of your stay, you will have met new and precious Italian friends.
